

Art Box Program – Detailed Guide

The **Art Box Program**, the flagship initiative of the Kids Create Ukraine Foundation, is a unique project designed for Ukrainian children aged **6–18**. The program harnesses the power of creativity to help children express themselves, process emotions, and connect with their cultural heritage in a safe and supportive environment.

Program Objectives

- **Support for Self-Expression** – The Art Box enables children to explore and communicate their feelings and ideas in a safe and nurturing space.
 - **Trauma Processing Through Creativity** – By engaging with various artistic materials, children can work through emotional stress and experiences at their own pace.
 - **Strengthening Cultural Identity** – The Art Box encourages children to engage with Ukrainian traditions and history, fostering a deeper sense of cultural connection.
 - **Building Community Connections** – The program inspires children to share their creative work with family and friends, enhancing social bonds and encouraging collaboration.
